

6th grade Math/Science AMI assignments for the week of April 13-17

Focus skill for this week: Plotting Data Sets

* I will be available from 8:00 to 3:00 Monday-Friday. You can reach me by email dneely@hbgsd.org, or phone 501-454-5211 if you have any questions or need additional assistance.

Day 1 Monday	
Math	Read pages 186-188 of Lesson 30: Plotting Data Sets.
Science	Work in i-Ready on teacher assigned lesson "Dot Plots" to learn how scientists use statistical data

Day 2 Tuesday	
Math	Attend Zoom meeting at 2 :00 (link will be sent to your email). During this meeting we will complete questions 1-8 of pages 191-192 together. We will complete a few problems on IXL GG.20 together.
Science	Complete the i-Ready teacher assigned activity "Dot Plots" to see how scientists use statistical data

Day 3 Wednesday	
Math	Complete IXL GG.20 to a minimum of 80%
Science	Work in i-Ready on the teacher assigned lesson "Box Plots" to learn how scientists use statistical data.

Day 4 Thursday	
Math	Read page 189-190 of Lesson 30: Plotting Data Sets.
Science	Complete the teacher assigned lesson "Box Plots" in i-Ready to learn how scientists use statistical data.

Day 5 Friday	
Math	Attend Zoom meeting at 2:00 (link will be sent to your email). During this meeting we will complete questions 9-14 of Lesson 30: Plotting Data Sets. We will work a few of IXL GG.11 and GG.12 together. These will be due Monday at 3:00
Science	Refer back to the temperature data you collected last week. Make a dot plot of the low temperatures and a box plot (box and whisker) of the high temperatures. Have these ready to share at our next Zoom meeting to be held next week.
